

Parent/Guardian Support Policy

Statement of Intent: To support our parents/guardians.

Aim: We understand that some parents/guardians may need help during their time with us.

Methods:

- We offer support during their child's settling in process and throughout their child's time at our Pre-School.
- We support the family through times of bereavement, illness, birth of another child etc. by offering extra sessions or changing sessions when possible.
- We support them through filling in forms required by OFSTED about their child by making it known they can make an appointment with their child's key worker.
- We make training available to them and give details on the notice board in the corridor outside the play room.
- We support them in learning new skills in the setting if coming in for play days on the rota.
- We offer support when looking through their child's Foundation Stage Records and helping to make their child's Individual Learning/Education Plan with support of their key worker.

This policy was adopted at a meeting of Wilsden Pre-School held on
